

## Property Mitigation and Restoration Services

**Location:** National

**Reference ID:** BF12K90

### Market Summary Business Concept

Offer emergency restoration services to the insurance industry, home service providers and property owners based on property damage caused by water, fire and mold. Franchisees benefit from the huge potential of the insurance industry -- an industry that pays out approximately **\$40 billion** for insured property losses each year. Franchisor is one of the fastest growing franchise systems in America, specializing in business-to-business property damage mitigation and restoration services.

Recession-proof industry - High-profit margins - Low startup costs
